

Simulering af Data

Mads

06/02/2020

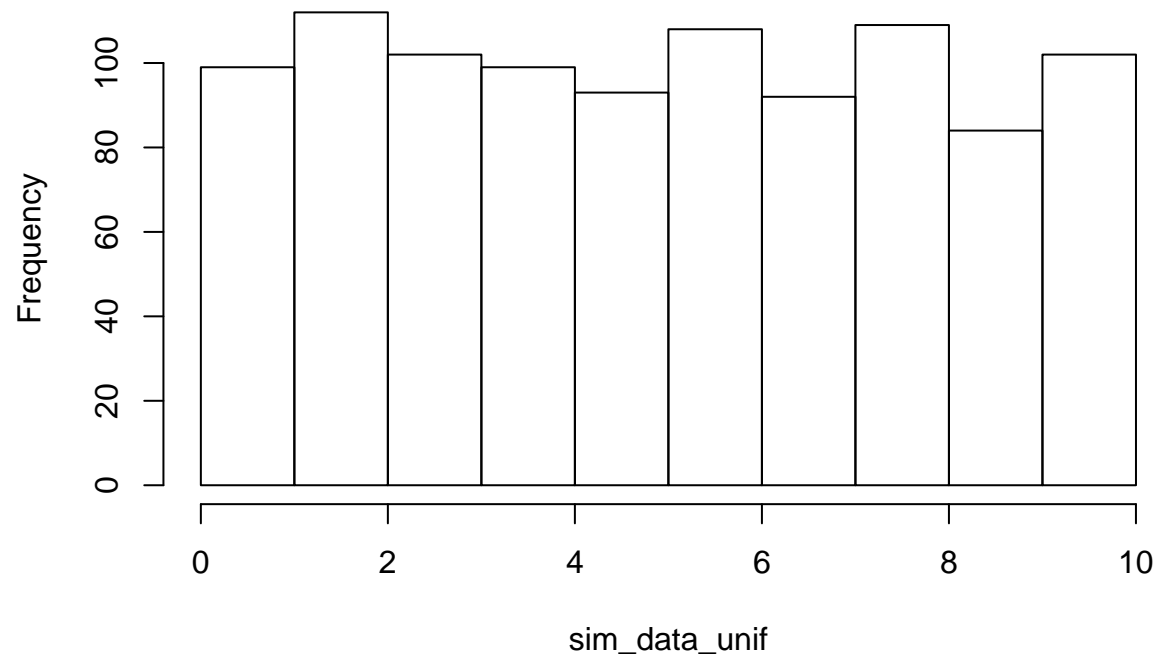

Her er noget tekst

```
sim_data_normal = rnorm(n = 1000, mean = 0, sd = 1)
hist(sim_data_normal)
```

```
sim_data_unif = runif(n = 1000, min = 0, max = 10)
hist(sim_data_unif)
```

Histogram of sim_data_unif

```
sim_data_binom = rbinom(n = 1000, size = 20, prob = 0.5)
hist(sim_data_binom)
```

Histogram of sim_data_binom
